

Minutes of WRNC general membership meeting  
1/25/14

WRNC president Toni O'Neil called the meeting to order in the banquet room of the Hilton Doubletree in Rocky Mount.

She thanked the attendees for coming, and thanked the vet students for their assistance. She introduced the current board members and the student liaisons.

The two cage grant winners, Margeaux Deatsch and Deanna Epps, were introduced.

Toni explained why this symposium was being held at Nash Community College instead of at the vet school, and thanked Laurie Degernes for all her hard work in the past.

Toni apologized for any unhappiness caused by some hunting calendars being included in raffle baskets.

She explained how the Board of Directors elections work and introduced the candidates: Cathy Burns, Mathias Engelmann, Dr. Joni Gnyp, Elizabeth Hanrahan, and Michelle Richards and incumbent, Christina Hildreth.

After dinner and a keynote presentation by Brent Lubbock of Sylvan Heights, elections were held. All candidates were voted into office by at least a 50% majority of votes cast.
