

RAPTOR EXAMINATION FORM

Species _____ **Age** _____ **How** _____

Wt _____ **Sex** _____ **How** — brood patch — egg — plumage — wing chord _____

_____ **Head:** Conc. — “reading” — tilted — hanging low — swelling — bruising — scabs — tissue damage — supra-orbital ridge fx - fx skull _____

_____ **Mouth:** Pale — lesions — bloody — glottis — choanae — tongue _____

_____ **Nares:** R/L — discharge — sneezing — sooty — bloody — clogged _____

_____ **Cere:** Swelling — bruising — scrapes — scabs — deformed _____

_____ **Beak:** R/L Upper/lower — fx — long — worn — hook — asymmetrical _____

_____ **R Eye:** Eyelids: swollen — irritated — matted shut — bruised — torn _____

Nictans: bruised — closing — cut — irritated _____

Cornea: cloudy — scratched — punctured — scarred — collapsed _____

Ant. Chamber: blood clot — fibrinous mat'l Lens: cataract — luxated _____

Iris: torn — cut — dilated — fluttering — attached to lens _____

Post. Chamber: blood clot — fibrinous mat'l _____

Pecten: torn _____ Retina: torn — detached — scars _____

Menace Reflex _____ PLR _____ apparent blindness — eye missing

_____ **L Eye:** Eyelids: swollen — irritated — matted shut — bruised — torn _____

Nictans: bruised — closing — cut — irritated _____

Cornea: cloudy — scratched — punctured — scarred — collapsed _____

Ant. Chamber: blood clot — fibrinous mat'l Lens: cataract — luxated _____

Iris: torn — cut — dilated — fluttering — attached to lens _____

Post. Chamber: blood clot — fibrinous mat'l _____

Pecten: torn _____ Retina: torn — detached — scars _____

Menace Reflex _____ PLR _____ apparent blindness — eye missing

_____ **Ears:** R/L bloody — bruising — swelling — parasites _____

_____ **Body:** Crop (full / empty / partial) — bruising — swelling — bloody — SQ air — tissue damage — scabs abdominal distension — fx keel — fx pelvis — fx spine — vent soiled — brood patch present — chest — keel abdomen — back — oil gland _____

_____ **Keel:** 1 1.5 2 2.5 3 3.5 4 4.5 5

_____ **SQ fat** Furcular hollow ---- 0 1 2 3 4 5

 Keel ----- 0 1 2 3 4 5

 Abdomen ----- 0 1 2 3 4 5

_____ **R Wing:** Fx – coracoid – clavicle – scapula – humerus – radius – ulna – metac’s (major/minor)
prox – midshaft – dist – open fx – comminuted – oblique – callus - dislocation / joint injury
shoulder – elbow – wrist – stiff – frozen – bruising - swelling – hanging – tissue damage –
tendon damage – necrotic – poor circulation – missing – maggots – patagium _____

_____ **L Wing:** Fx – coracoid – clavicle – scapula – humerus – radius – ulna – metac’s (major/minor)
prox – midshaft – dist – open fx – comminuted – oblique – callus - dislocation / joint injury
shoulder – elbow – wrist – stiff – frozen – bruising - swelling – hanging – tissue damage –
tendon damage – necrotic – poor circulation – missing – maggots – patagium _____

_____ **R Leg:** Fx – femur – tibiotarsus – metatarsus – digit # _____ prox – midshaft – dist –
open fx – comminuted – oblique – callus – cuts – necrotic – dislocation/ joint injury – hip – knee
hock - toes - grip (poor / good) – pads worn – bruising – swelling – poor circul. – maggots
tissue damage - tendon damage – talons (worn/long) – missing digit/talon # _____ dehydration

_____ **L Leg:** Fx – femur – tibiotarsus – metatarsus – digit # _____ prox – midshaft – dist –
open fx – comminuted – oblique – callus – cuts – necrotic – dislocation/ joint injury – hip – knee
hock - toes - grip (poor / good) – pads worn – bruising – swelling – poor circul. – maggots
tissue damage - tendon damage – talons (worn/long) – missing digit/talon # _____ dehydration

_____ **Feathers:** Remiges/ Retrices: R/L – frayed – broken – missing – bent – in blood – dirty
wet – oily _____

Head & Body: missing – bloody – wet – downy – parasites (lice – flatflies) _____

_____ **Mutes:** none - granular – runny – green – dark brown – bloody – parasites _____

_____ **Castings:** none - partially digested – parasites _____

_____ **Behavior:** BAR – QAR - lethargic – trembling – lying down – aggressive – food begging –
imprinted - habituated – unable to stand – dead

_____ **Other Comments** _____

_____ **Treatments**
