

## EXAMINATION

# \_\_\_\_\_

Species \_\_\_\_\_ Age \_\_\_\_\_

Weight \_\_\_\_\_ Sex \_\_\_\_\_

-----  
\_\_\_\_ Behavior: Alert – lethargic – trembling – laying down – aggressive – food begging – habituated – unable to stand – difficult breathing – dead \_\_\_\_\_

\_\_\_\_ Head: Concussion – tilted – hanging low – swelling – bruising – scabs – tissue damage – fractured skull \_\_\_\_\_

\_\_\_\_ Eyes:    \_\_R: Reflex – good – some – none – apparent blindness

Eyelids – upper/lower – swollen – bruised – torn – not using – matted shut - irritated – dirt/soot under eyelid

Cornea: cloudy – scratched – punctured – wrinkled – scarred – fluid loss \_\_\_\_\_

Ant. Chamber: blood clot – fibrous material \_\_\_\_\_

Lens: cataract – detached \_\_\_\_\_

Iris: torn – dilated – misshapen – fluttering \_\_\_\_\_

    \_\_L: Reflex – good – some – none – apparent blindness

Eyelids: upper/lower – swollen – bruised – torn – not using – matted shut - irritated – dirt/soot under eyelid \_\_\_\_\_

Cornea: cloudy – scratched – punctured – wrinkled – scarred – fluid loss \_\_\_\_\_

Ant. Chamber: blood clot – fibrous material \_\_\_\_\_

Lens: cataract – detached \_\_\_\_\_

Iris: torn – dilated – misshapen – fluttering \_\_\_\_\_

\_\_\_\_ Nose: Fluid discharge – sneezing – bloody – sores – growths – sounds – parasites \_\_\_\_\_

\_\_\_\_ Mouth: Pale – lesions – bloody – parasites – teeth – tongue \_\_\_\_\_

Dehydration – not – mild – moderate – severe \_\_\_\_\_

\_\_\_\_ Ears:    \_\_R: bloody – bruising – swelling – parasites – missing \_\_\_\_\_

    \_\_L: bloody – bruising – swelling – parasites – missing \_\_\_\_\_

\_\_\_\_ Body: Bruising – swelling – bloody – scabs - tissue damage – abdominal distension – fractured breast bone – fractured pelvis – fractured spine – anal area soiled \_\_\_\_\_

\_\_\_\_ Body condition: emaciated – light – normal – fat \_\_\_\_\_

\_\_\_\_ Front legs:

    \_\_R: Missing

Fracture – compound – callus/old

Dislocation / joint injury – hip – knee – ankle – stiff – frozen – hanging \_\_\_\_\_

Bruising – swelling – tissue damage – tendon damage – necrotic – parasites

\_\_\_\_\_

\_\_\_L: Missing  
Fracture – compound – callus/old  
Dislocated / joint injury – hip – knee – ankle – stiff – frozen – hanging \_\_\_\_\_  
Bruising – swelling – tissue damage – tendon damage – necrotic –parasites

---

\_\_\_ Back Legs:

\_\_\_R: Missing  
Fracture – compound – callus/old  
Dislocation / joint injury – hip – knee – ankle – stiff – frozen – hanging \_\_\_\_\_  
Bruising – swelling – tissue damage – tendon damage – necrotic – parasites

---

\_\_\_L: Missing  
Fracture – compound – callus/old  
Dislocated / joint injury – hip – knee – ankle – stiff – frozen – hanging \_\_\_\_\_  
Bruising – swelling – tissue damage – tendon damage – necrotic –parasites

---

\_\_\_ Foot:

\_\_\_ R: Missing  
Pads worn – wounds – swollen  
Nails - worn – overgrown – broken  
Poor circulation - tissue damage – tendon damage – necrotic - bruising – swelling –  
cuts – dehydration – hot \_\_\_\_\_

\_\_\_ L: Missing  
Pads worn – wounds – swollen  
Nails – worn – overgrown – broken  
Poor circulation - tissue damage – tendon damage – necrotic - bruising – swelling –  
cuts – dehydration – hot \_\_\_\_\_

\_\_\_ Fur: Dirty – wet – oily – matted \_\_\_\_\_

\_\_\_ Feces: None – granular – runny – green – bloody – parasites \_\_\_\_\_

Trauma: Projectile (suspected – confirmed by x-ray/ pellet) – leg-hold trap –  
barbed wire – collision (confirmed – suspected) – attacked by predator

Orphaned: Fell from nest – tree cut/fell – kidnapped – rejected by parent –raised in captivity

Trapped: Building – trash receptacles – storm drain \_\_\_\_\_

Poisoned – Suspected

Starvation – Unknown
